Dear and Rev. Achen and Managing Committee

In our Idukki Diocese we have a Charitable Society called GRACE doing some charitable works among the poor people. For the poor children's education GRACE started two BALAVEDI at Kizhake chunnamm in Estali area. We select children from very poor family facing difficulty to afford their educational expenses. All of them have very low income from their Estali works. In our Balavedi we select very poor children in between Standard I to IV and try to give basic education up to Std. X. For this we have two tuition ladies, they give tuition to them in holidays and Saturdays. For this we have to pay Rs. 250/- for each per month. For helping children GRACE wish to issue a school 'Kit' contain school uniform, school bag, books, workbooks and pencils. For one kit we have to pay Rs. 650/- now we have 57 children in two Balavedi. For this purpose we need 43 thousand rupees for school kit. The students names below. We request your kindness for this programme.

Thanking you
